EXPERIENCE

Senior Designer: 2019–Present

Center for Excellence in Higher Education

Responsibilities include working on marketing materials in channels like emails, outdoor advertising, and social media. Print, digital, and some user experience design, as well as animation.

Freelance Designer: 2019–Present

Renatus LLC

Freelance work laying out manuals, creating graphics, and choosing imagery.

Graphic Designer: 2013–2018

Employer Solutions Group

Contracted for The Church of Jesus Christ of Latter-day Saints

Responsibilities included laying out manuals, booklets, and pamphlets; creating infographics, social media images, brand design, and website layouts. Able to work on multiple projects and please clients with both quality and timeliness.

Customer Service Representative: 2011–2013

Convergys

Responsibilities included working to help customers find solutions and guide them in emergency situations. Used soft skills to avoid escalations.
